RED CROSS WORK

Ladies Organize for Duty at the
Soldier Camps.

DETAILS OF VOLUNTEERS MADE

Supplies Are Solicited—Articles
That Are Required—In Tents.
Meeting Held.

There was a large gathering of Red
Cross ladies at the Y. M. C. A. yes-
terday afternoon to devise means for
supplying delicacies to indisposed sol-
diers at Camps McKinley and Otis.
Mrs. H. M. Sewall presided. She stat-
ed the objects of the meeting. A num-
ber of soldiers at the camps were
slightly ill—not sufficiently to receive
hospital treatment, and yet to such a
degree as to place them in need of
something different from camp fare.
It had been decided to supply light
drinks, gruel, soft boiled rice, toast,
crackers and a few other light articles
so necessary in cases described. The
Red Cross could do this. What was
needed was volunteers to assist in dis-
pensing the food.

Mrs. Sewall stated that a tent had
been established at Camp McKinley
in the forenoon. Mrs. S. M. Damon
and Mrs. M. C. Widdfield had been in
charge. They had furnished deli-
cacies to about 200 men who really
stood in need of the change of fare.
It was proposed to operate a tent at
each of the camps from 9 to 12 every
morning. A beginning would be made
this morning. Volunteers for a week
ahead were desired. The following
ladies volunteered immediately:
Today: Camp McKinley—Mrs. A.
Fuller and Mrs. E. W. Jordan. Camp
Otis—Mrs. H. M. Sewall, Mrs. F. M.
Hatch and Miss Kaufmann.
Tomorrow: Camp McKinley—Mrs.
L. A. Kenake and Mrs. C. N. Arnold.
Camp Otis—Mrs. S. A. Gilman, Mrs.
Laura Wight and Miss Nellie Judd.

Saturday: Camp McKinley—Mrs.
Garret P. Wilder and Mrs. E. D. Ten-
ney. Camp Otis—Mrs. Robert Lewers
and Mrs. W. L. Hopper.
Sunday: Camp McKinley—Mrs.
Arnold.

Monday: Camp McKinley—Mrs. A.
B. Wood and Mrs. Q. H. Berry. Camp
Otis—Mrs. H. E. Walty and Mrs.
Forbes.

Tuesday: Camp McKinley—Mrs. J.
Lucas and Mrs. W. M. Graham. Camp
Otis—Mrs. H. Nickelson and Mrs. Ke-
nake.

Wednesday: Camp McKinley—Miss
Judd and Mrs. Laura Wight. Camp
Otis—Miss Campbell.

Ladies are requested to be on hand
to take charge at 9 a. m. of their re-
spective days. A few more volunteers,
particularly for Sunday morning, are
desired. The first of next week volun-
teers will be asked for the next
seven days, beginning with Wednes-
day.

The Red Cross requests donations of
milk and rice from those in sympathy
with the work. Such articles may be
sent to Mrs. Sewall or to any of the
ladies named above. As it may be
necessary to keep up the work for
some weeks considerable quantities of
supplies will be required. It is ex-
pected that about 400 men per day
will be served at the tents for the pres-
ent.

Officers Y. H. I.

The following have been elected offi-
cers of the Young Hawaiians' Institute
for the ensuing year: Dr. G. H. Hud-
dy, president; George L. Desha, vice-
president; Isaac Sherwood, recording
secretary; James L. Holt, financial sec-
retary; Charles Wilcox, treasurer; T.
P. Cummins, marshal. Executive
Committee—N. Fernandez, S. L. Keku-
mano and D. H. Kahaulio. The new
officers will be installed the first week
in October.

An important business meeting of
the Institute will be held at 7:30 this
evening to discuss certain amendments
to the Constitution.

Industrial Institute.

An important business meeting of
the executive committee of the Arm-
strong Industrial Institute will be held
at the High School building at 7:30
o'clock tomorrow evening. Plans will
be perfected for the year's work. A
full attendance of members is urged.

ESTATE VALUED AT \$10,000.00.

John Smith left an estate valued at
this amount. The greater part was
saved by buying goods at L. B. Kerr's,
Queen street. See his ad and you will
realize how it was done.

THE COLONEL OF THE FIRST.

When the organization of the First New York Regiment of
U. S. Volunteers was in progress, there were many questions
to decide. But there was no difference of opinion concerning
the matter of who should be first in command. Col. T. H.
Barber, who today rules at Camp McKinley was the unani-
mous choice. He was a trained man of special fitness in every
way for the post. Col. Barber had long been identified with
the militia of his state and had earned the confidence of the
men whose welfare is now his first consideration. In all the
camps where the First has been massed with other commands,
the New Yorkers have been nicknamed "Col. Barber's Pets."
Col. Barber is a man of the highest standing socially and
financially in his home country. By his soldierly and tactful
manner and through his pleasant personality, he has made
many friends here. It was the dearest ambition of the Colonel
and his officers and men to see action in Manila, but the fates
of war decided otherwise and the duty here is cheerfully ac-
cepted. Col. Barber has become a familiar figure about Hon-
olulu and at social gatherings, but nevertheless, much of his
time is spent at Camp McKinley, where the First is located.
The Colonel is proud of his command and the friendly feeling
is heartily reciprocated. Col. Barber has seen much of life,
but is a man still youthful in affairs and appearance.

COMMISSION.

Chinese Again—Last Sitzings of
Body.

At the open meeting of the Commis-
sion yesterday morning, W. Horace
Wright appeared and presented two
memorials in the interest of Chinese
residents. The first of these was on
behalf of rice planters. A leading point
in the petition is that American laws
relating to Chinese do not apply to
that race in these islands; and that
Chinese laborers in limited numbers
may arrive in Hawaii when good and
sufficient bonds for their return home
in three years may have been given.
The Commission will hold their
final session this morning. Senator
Cullom, Senator Morgan, Mr. Hitt and
party will leave by the Gaelic tomor-
row for the States. They will proceed
to their respective homes and will ar-
range a meeting to take place in
Washington early in November.
Judge Frear will join the Commission
there, leaving Honolulu in October.
President Dole will probably not go.

A New Sidewalk.

At a meeting of the directors of the
Y. M. C. A. held yesterday afternoon
the contract for the sidewalk around
the Association building at Hotel and
Alakea streets, was let to Wm. H.
Cummings and work will begin at
once. This sidewalk will be of con-
crete and will extend from near Dr.
Grossman's office, down Hotel to Ala-
kea and down Alakea to Wicke's prem-
ises.

GROWING CLUB.

Enrollment of Members for Ha-
waiian League.

At a meeting of the executive com-
mittee of the Hawaiian National
League held in S. K. Ka-ne's office at
noon yesterday the following members
were present: S. K. Ka-ne, J. L. Kau-
lukou, James Keola, Charles L. Hop-
kins, J. M. Poepeo, D. L. Naone and
Charles Wilcox. J. L. Kaulukou pre-
sided. The committee adopted the re-
port of the special committee on con-
stitution and rules for permanent or-
ganization, and it was decided to refer
the matter to a full meeting of the
League to be held at the same place
at 1 p. m. Saturday.

Reports from the members of the
committee showed that 764 names had
been enrolled with many outside dis-
tricts to be heard from. Those on the
roll are chiefly Honolulu men. Lists
have been sent to all the precincts of
this island. Very soon branch orga-
nizations will be started on Hawaii,
Maul and Kauai.

Pinafore in View.

Robert Ellis, the tenor singer with
the Rosa Comedy Company, proposes
to give a production of Pinafore here
for the benefit of the Red Cross if ar-
rangements can be made. The people
from the troupe will be Ellis, Gardner
and Mr. and Mrs. Post. All the other
talent for the comic opera casts would
be local. It is believed that costumes
could be secured in Honolulu and that
Pinafore, which has not been produced
here since 1883, would go for three
nights some week.

"A. U. P." IN FIELD

Central Committee Meets to Pre-
pare Memorial.

PRINCIPAL POINTS OF DOCUMENT

Course of Cabinet Impelled Action.
The Governorship—American
Shipping for the Flag.

The American Union Party, the only
political organization of annexation-
ists in Honolulu, has come out of its
shell to sing, after a silence uninter-
rupted since the endorsement of Amer-
ican Special Agent Sewall for the
Governorship.

A meeting of the Central Committee
of the A. U. P. was held last evening
and a memorial to the Commission
was framed. The document will be
placed in order and submitted prob-
ably tomorrow.

The draft that was submitted to the
meeting last evening had two principal
points. The first was that the party
had not been consulted by the Execu-
tive at any time in any way concern-
ing the future as it might be affected
by communication with the Commis-
sion and for this reason presented the
memorial.

The second heavy paragraph in the
outline presented to the delegates was
the expression of opinion that Ameri-
can shipping laws should be extended
to the new territory at once.

There is asked for in the memorial
"a liberal form of territorial govern-
ment," with such restrictions, limita-
tions, etc., as the conditions appear to
require.

On the question of the franchise the
committee gives utterance in favor of
a "liberal suffrage."

The committee favors the national
policy concerning construction of the
Nicaraguan canal and a cable from
the Mainland to Hawaii. It is urged
that American tariff laws be extended
to Hawaii without delay.

It was 10:30 when the Central Com-
mittee adjourned. Its session opened
at 8 p. m. In the absence of Chair-
man Kennedy, Geo. W. Smith presided.
W. R. Sims is the secretary and was
in his place. Eleven members of the
committee were present altogether.

Discussion was earnest and not at all
brief on several questions. The first
debate was on mention of the Cabinet.
There were those who thought the Ex-
ecutive should not figure in the mem-
orial. Some of the members were in
favor of stating specifically an opinion
on the suffrage. Again there was a
slight division on taking issue with
the Chamber of Commerce on the mat-
ter of shipping interest.

In the ending of the memorial the
Central Committee asks that there be
named for first Governor of Hawaii a
man who has not been identified with
local politics, in the past.

The meeting of the committee was
good natured in every way and prac-
tical unanimous sentiment prevailed
on most of the matters, though the dif-
ference on a couple of points was wide
and fixed.

It has been openly stated that the
Central Committee had no intention
of addressing the Commission until it
became convinced that the Cabinet
would not consult the party. It is very
evident, too, that the Governorship,
for which American Special Agent Sewall
has already been endorsed by the Cen-
tral Committee, is still a leading and
very carefully nurtured consideration.

Reception to Rev. Mr. Kincaid.

There will be a social and reception
at Central Union church at 7:30 this
evening for Rev. Wm. Kincaid and
family. A musical and literary pro-
gram will be the first feature. Next
will come the reception and finally the
social. All members of the congrega-
tion are invited to be present.
